

Information Update- March 10, 2009

To: 2nd Year Administrators

From: Office of Educator Licensing & Development

Re: SLSA/On-line Assessment

Due to the delay with this information, we have extended the due date for completing the 2nd Year Administrators Self Assessment from March 31 to May 15. The Indiana School Leader's Self Assessment is now available through a specialized online account. We sent the account information via email to all 2nd year administrators that are enrolled in IMAP. If you have not received your Moodle account, please contact Katie Russo, Assistant Director of Educator Development at krusso@doe.in.gov or 317-234-0210 if you should have any additional questions.
